

Framesliders

Framesliders are the optimal protection for fairing, frame and other parts.

All framesliders are CNC milled, and they are all motorsport and german TÜV certified. Individually manufactured for every motorcycle.

Following versions are available for most motorcycles:

Polyamid "Strada" 45mm
Polyamid "Racing" 60mm
ALU "Strada" 45mm
ALU "Racing" 60mm
ALU-Double 60mm
Carbon-Alufoam 60mm

You can get also colored frame sliders!

RSV Mille "Racing white"

RSV Mille "Racing black"

RSV Mille "ALU-Double"

RSV Mille "Carbon"
